CAREER SUMMARY:

An experienced writer, public health consultant, trainer, speaker, and researcher who identifies and addresses systemic barriers for underserved populations, with an emphasis on LGBTQ communities. Recognized widely for transgender expertise. Has trained tens of thousands of community health providers, educators, business professionals, and others.

EDUCATION AND TRAINING:

- Masters in Public Health, Community Health Education, UC Berkeley, 2000
- Bachelor of Arts, Women's Studies, UC Santa Cruz, 1986
- Training in Community Health Outreach Administration, AIDS Management Institute, Media Strategies, Qualitative Research Methods, HIV Antibody Counseling, Emotional/Practical Support
- Spoken and written fluency in Spanish

PROFESSIONAL SKILLS:

Training/Consultation:

- Identify organizations and institutions that would benefit from training. Assess organizational needs for cultural competency training; develop customized curriculum materials tailored to the needs of training groups
- Develop Train the Trainer curriculum and train staff on LGBTQ-affirming service provision, trans-affirming service provision, and sexual orientation/gender identity (SO/GI) data collection
- Present customized trainings on transgender issues; lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) issues; healthcare access; SO/GI data collection; diversity issues; strategic planning; HIV awareness; women's health issues; substance use disorders; Asians and Pacific Islanders (APIs); African American health issues; disability issues; outreach program design and administration; legal issues; conflict de-escalation; suicide prevention; and mental health support
- Provide organizational development technical assistance for diverse organizations, institutions, and businesses. Services include: agency-wide assessment; needs assessment; evaluation; survey development; research on client/customer satisfaction, employee satisfaction, unmet needs, and messaging; curriculum development; materials development; discussion guides; action planning; strategic planning; policy development; intake procedure development; protocol development; language consultation; employee manual writing; report writing; and other activities
- Design and write health education pamphlets and guides for institutions, providers, and community members
- Writer, editor and public speaker for progressive publications and organizations
- Organize panels, conferences, retreats, and fundraisers for community-based organizations

Research and Evaluation:

- Principal Investigator on statewide qualitative research project on at-risk populations
- Designed, coordinated, and conducted focus groups, quantitative surveys, and other needs assessments
- Created formative, process, and outcome evaluation measures
- Developed recruitment strategies, conducted outreach, and interviewed survey participants
- Documented ethnographic research from street outreach contacts
- Analyzed qualitative data from interviews and focus groups
- Produced written reports with health and social service policy recommendations
- Presented findings nationwide at conferences, community forums, and regional planning meetings

Program Management:

- Designed and implemented HIV prevention and health care access programs
- Conceptualized and coordinated services to substance users, women, men who have sex with men, youth, and transgender persons
- Wrote grants and managed city, state, CDC and other contracts; reported to funding sources
- Hired, trained, and supervised staff
- Consultant, staff, board member, and volunteer for health service organizations and projects

Outreach and Community Organizing:

- Organized marginalized communities for health care access, policy advocacy, and visibility
- Provided patient advocacy workshops nationwide on accessing affirming healthcare
- Provided patient education workshops on genital surgeries and accessing transition-related care covered by insurance
- Articulated issues to the media; spoke at legislative hearings; developed promotional materials
- Conducted one-on-one street-based HIV prevention education for lower income, high-risk populations
- Provided counseling, referrals, advocacy, and crisis management
- Made group HIV/AIDS presentations to diverse clientele; facilitated “know your rights” workshops
- Wrote and performed HIV prevention skits for English language-limited Asians and Pacific Islanders

ACCOMPLISHMENTS:

- Co-organized the first retreat for Asian and Pacific Islander transmasculine people. (2016-17)
- Keynote speaker for regional and national LGBTQ, trans, health, and academic conferences; corporations; healthcare and educational institutions; and other entities. (2007-present)
- Develop curriculum materials and provide well-received, customized, interactive training and technical assistance on LGBTQ or transgender-specific issues for tens of thousands of participants in medical, nursing, behavioral health, HIV/AIDS, reproductive health, and other community health institutions; educational institutions (pre-school, K-12, college and university); non-profits, small businesses, and corporations; governmental agencies; social service agencies; homeless shelters; faith-based institutions; district attorney, probation and re-entry services; and other entities throughout the state of California and the U.S. (2000-present)
- Developed curricula in multiple formats and provided live and online LGBTQ training nationwide for navigators and counselors enrolling consumers in health insurance plans under the Affordable Care Act. Increased access to health insurance for thousands of LGBTQ Americans nationwide. (2014)
- Lead consultant on the California statewide Community Alliance for Culturally and Linguistically Appropriate Services (CLAS Project). Single-handedly provided one-fourth of all training and technical assistance statewide in the project's inaugural year. (2011-2014)
- Principal Investigator on statewide research project of African American men who have sex with men, and high-risk women, in five California regions. (One Love Project, 2007-08)
- Founded the Health Care Access Project at Transgender Law Center, the first program in the nation to provide transgender cultural competency training for providers, educate community members about their rights in health care settings, and advocate for comprehensive access to care. Laid groundwork for future advocacy efforts in California. (2004-2006)
- Founded and facilitated the first support group for transmasculine people of color. (Pacific Center, 2000-2003)
- Founder and organizer of the Dragon Club, the first support program for API transmasculine people. (API Wellness Center, 1995-2000)
- Organized transmasculine individuals who have or are exploring sex with other men for community input into innovative HIV prevention project. Designed and coordinated first educational workshop series specifically for this population. (Trannyfags Project, STOP AIDS Project, 1999-2000)
- First Asian Community Health Outreach Worker (CHOW) providing HIV/AIDS education and crisis intervention for high-risk populations in San Francisco; pioneered an outreach model that addressed the unique needs of Asians and

Pacific Islanders. Accessed API communities in the Tenderloin, Chinatown, and South of Market districts. First provider to access women working in massage parlors. (1988-1992)

- Bicycled across the United States. (1988)
- Co-organized the first retreat for Asian and Pacific Islander lesbian and bisexual women. (1987)
- Organized API lesbians locally, nationally, and internationally. Worked to broaden visibility in the lesbian, gay, API, transgender and general communities. Wrote extensively on API lesbian, queer, and transgender issues. (1983 on)
- Organized various multicultural alliances for health, visibility, empowerment, and social/policy change.
